

# GEOSCIENCE, EXPLORATION & EXTRACTION CONFERENCE 2024

"Research & Innovation in Geosciences, Exploration & Extraction for Sustainability"

AUGUST 7<sup>TH</sup> - 9<sup>TH</sup> 2024 | APEC HAUS | PORT MORESBY | PAPUA NEW GUINEA

## TOPICS

- ✓ CRITICAL MINERALS
- ✓ MARINE GEOSCIENCE EXPLORATION
- ✓ EXPLORATION OF DEEP-SEATED MINERAL SYSTEMS
- ✓ RENEWABLE ENERGY
- ✓ PETROLEUM EXPLORATION, DEVELOPMENT & PRODUCTION
- ✓ REMOTE SENSING & GIS
- ✓ GEOHAZARDS & RISK MANAGEMENT
- ✓ ENVIRONMENTAL & SOCIO-ECONOMIC INDICATORS

## SECOND ANNOUCEMENT & CALL FOR PAPERS

The GEE Conference 2024 aims to promote the diverse and rich geo-resources sector of Papua New Guinea, whilst addressing key issues arising from the sector. The event will feature presentations, facilitated panel discussions, and poster sessions. Speakers and participants will be national, regional (Pacific Islands & S-SE Asia region), and international. There will be representatives from industry, government, community, and academia/research institutions. Resource-impact landowner groups and landowner companies are warmly invited to share your experiences with us. University students are also encouraged to submit poster asbstracts

Submit your abstracts to [infogee24@mra.gov.pg](mailto:infogee24@mra.gov.pg)

Due Date 30<sup>th</sup> April, 2024
